SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97

Dear Sir:

I. INTRODUCTION

In compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, Applicants are submitting herewith a "Substitute for Form 1449A/PTO" listing certain patent and other

documents which the Examiner is respectfully requested to consider and make of record in this application. This Supplemental Information Disclosure Statement is being filed before the mailing of a Final Official Action. Accordingly, the fee required under 37 C.F.R. 1.97(c) is enclosed.

II. REMARKS

A. Enclosures to Information Disclosure Statement

Enclosed herewith please find a completed "Substitute for Form 1449A/PTO" which identifies the United States Patent Documents, Foreign Patent Documents and Non-Patent Literature being made of record. Pursuant to 37 C.F.R. §1.98, copies of the U.S. Patent documents, foreign patent documents and Non-patent literature are also enclosed.

This application is related to another application currently pending before the U.S. Patent and Trademark Office. The related application and the instant application are identified below:

U.S. Application No.	Filing Date	Attorney Ref.
10/030,268	March 19, 2002	H04086
09/868,379	August 15, 2001	H03763

B. Foreign Patent Documents Not In The English Language

One foreign patent document (Ref. Nos. B1) and three Non-patent literature references (C2, C3 and C4) are not in the English language. Under 37 C.F.R. §1.98(a)(3)(i) and (ii) any information disclosure statement filed shall include:

(3)(i) A concise explanation of the relevance, as it is presently understood by the individual designated in §1.56(c) most knowledgeable about the content of the information, of each patent, publication, or other information listed that is not in the English

language. The concise explanation may be either separate from the applicant's specification or incorporated therein.

(ii) A copy of the translation if a written English-language translation of a non-English-language document, or portion thereof, is within the possession, custody, or control of, or is readily available to any individual designated in §1.56(c).

1. Translation

The non-English patent document has an English language counterpart which is identified in the Substitute for Form 1449A/PTO. A copy of the counterpart application is enclosed.

Non-English Patent Document

Ref. B1

English Language Counterpart

A2

2. Concise Explanations of Remaining Non-English Documents

A concise explanation of the relevance of certain non-English documents is incorporated in the specification of related application U.S. Application No. 10/030,268 (Attny Ref. No. H04086) in the passages identified below:

Non-English Document	Referenced Portion of Specification
C2	Paragraph beginning at line 2, page 8
C3	Paragraph beginning at line 2, page 8
C4	Paragraph beginning at line 2, page 8

A copy of the table of contents for reference C1, which is referenced in the paragraph beginning at page 7 line 9 of the related application (U.S. Application No. 10/030,268; Attny Ref. No. H0486) is herewith submitted as an efficient alternative to submission of the entire textbook. The specification states that this reference describes "other suitable enzymes and enzymatic hydrolysis processes." Further, a copy of the table of contents

for reference C5, which is referenced in the paragraph beginning at page 8 line 25 of the related application (U.S. Application No. 10/030,268; Attny Ref. No. H04086) is herewith submitted. Applicants have been unable to locate a copy of this reference, however, submit a copy of the table of contents of this document. The specification states that this reference provides "other examples of protein hydrolyzates and protein hydrolyzate derivatives which fall within the scope of the invention." However, upon the Examiner's request, Applicants can send these entire texts.

This submission is not an admission that the references listed on the attached Substitute for Form 1449A/PTO constitute prior art against the claims of this application.

III. ACTION REQUESTED

The Examiner is respectfully requested to confirm receipt and consideration of the cited references by initialing and returning a copy of the attached Substitute for Form 1449A/PTO in accordance with MPEP §609.

IV. AUTHORIZATION TO CHARGE DEPOSIT ACCOUNT

In the event that a fee is required, the Commissioner is authorized to charge Deposit Account No. 04-1406 of the undersigned attorneys. A duplicate copy of this sheet is enclosed.

V. CONCLUSION

Early and favorable consideration of this application
is respectfully requested.

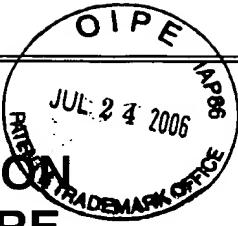

Respectfully submitted,
DANN, DORFMAN, HERRELL AND SKILLMAN
A Professional Corporation
Attorney for Applicants
